End Time is the same for all officials

Recommended to have 1 more official than number of mats

Hourly Formula = (# of Mats x \$25.00 per hour) divided by # of Officials = Hourly Pay - - - Times by # of Hours for Total Pay

Example = You have a tournament with 4 Mats, 5 Officials and it last 10 Hours

(4 Mats x \$25.00 per Hour) = \$100 divided by 5 Officials = \$20 Per Hour - - - Each Official would be paid \$200.00 and Total Officiating Expense would be \$1000.00

**** Officials ** This scale as represented is a minimal scale and you should not be paid less than described above. If you are not paid properly please contact your Assigning Secretary to assist you.**
